

# DISHWASHING LIQUID

Impact-A Dishwashing Liquid is a general-purpose Dishwashing Liquid suitable for commercial or domestic use.

It's high foaming and leaves a clean fresh fragrance. Can be used for general cleaning applications as well.

It's gentle on hands while providing excellent grease cutting action.

## Key Features

- Used in domestic and commercial settings
- Can be used as a cleaner for many applications
- Dilute concentrate down for desired strength
- Leaves a clean fresh fragrance

## Directions For Use

- Add approximately 10-20ml of Dishwashing Liquid to a sink full of hot water.
- For general cleaning, use ¼ cup Dishwashing Liquid to 5 litres of hot water. Wipe or mop with the solution then rinse with water.
